In order to be able to play during the games, and practice with the team, all members have to pay the 200€ membership fee before September 15, including :

- 25 euros for BLF fees
- 13 euros a year for the clubs' insurance : ETHIAS insurance
- Rest of the fees: for pitch rental, new equipment and for the club's daily administration

Be advised that if paying the whole fee before then is a problem, players can always ask for a particular payment plan. This however has to be accepted by the board and will therefore require an official request (email) by the player to their team manager.
